Change in Permitting/On-Site contact

Dear Mr. Zuber:

Yesterday, on behalf of Bowie Resources LLC, two Minor Revision applications were submitted, MR-142 for Bowie #1 and MR-209 for Bowie #2. The intent of those revisions was to update the permitting and on-site contact information since Basil Bear has recently retired.

The new primary contact for permitting and on-site inspections for the Bowie #1 and #2 mines is Art Etter and he can be reached at

Office: 970-929-8001
