Greg,

The decision date has been extended to April 4th, per your request.

I'll leave it to you to decide whether you prefer to submit the complete packet or individual exhibits - whichever is easiest for you to organize.

Thanks Leigh,

We'd like to request an extension of April 4th, 2025.

We'll get to work on compiling this information and responding.

Do you want the entire application resubmitted with changes/additions? Or just resubmitting the updated exhibits?
