Minor Revision No. MR-485 Update of Exhibit 1 Officers and Directors

Dear Mr. Simmons:

Mountain Coal Company, LLC (MCC) submits this cover letter a revised Exhibit 1 Officers and Directors and an updated section 2.03.04 from the permit text. Please also note that there has been a correction to the address on this submission of Exhibit 1.

In regard to the responses noted in the initial adequacy letter:

1. You will find attached an update to Section 2.03.04 to incorporate the appropriate changes in ownership. This section also does not have any changes to the various subsidiaries.
2. The single page of Exhibit 1 should replace the pages where the officers and directors of Arch Resources, Inc. were listed. There were no changes to the various subsidiaries.

If you have any questions, please call (970)-260-0064.

Sincerely,

A handwritten signature in blue ink, appearing to read 'BM', with a long, sweeping horizontal stroke extending to the right.
