RE: Extension Request for M-2009-082 Technical Revision

Dear Mr. Lennberg:

Please accept this letter as our request to extend the decision date from March 21, 2025 to May 5, 2025. We have draft drawings back from the consultant with all the changes from your adequacy letter and our phone call. We need time to review and redline the draft drawings, have the consultant make final changes and then your second adequacy review of our submittal.

Please give me a call (970-407-3631), if additional information is needed.

Sincerely,

A handwritten signature in cursive script that reads "Julie Mikulas".
