Supplemental Information - effective 3/14/2025

8. Approximately 3.1 acres is disturbed. We continued to mine deeper into the gravel until the bedrock is reached. Processing and stockpiling is being done on the floor.
9. No new area was disturbed this year. Approximately 1.15 acres is striped ready for mining (tan) of which 0.4 acres were mined in 2024 (cross hatched). The growth medium stockpiles (0.32 ac ±, Dark Brown) have a vegetation cover. Mining will continue on the striped area this year.
10. No reclamation was called for in 2024 as the mine is in the early development phase.
14. The Weed Works was hired to perform weed control on the disturbed areas and roadway. Spraying took place in August 2023. Weed control will continue this year.
19. The approved bond amount is \$27,000 and is adequate to reclaim the disturbance at this time.
