**RE: Vacation of Violation and Board Hearing**  
**Old Town Reclamation Project; Permit No. M-2018-057**

Dear Mr. Maher:

The Division of Reclamation, Mining and Safety (Division) has received the increased financial warranty for the Old Town Reclamation Project. The site is now considered fully bonded, and the Division no longer has reason to believe a violation exists. The matter scheduled to be heard before the Mined Land Reclamation Board at the April 16-17 meeting has been vacated.

Sincerely,

Leigh Simmons  
Environmental Protection Specialist
