**RE: Request for Extension of Decision Date for 112 Permit Amendment Application**  
**SITE: Fort Lupton Sand and Gravel, DRMS Permit # M-1999-120**

Dear Ms. Gagnon:

The applicant, L.G. Everist, Inc., requests to extend the decision date of the 112 Permit Amendment Application for Fort Lupton Sand and Gravel, DRMS Permit # M-1999-120. The applicant would like to extend the decision date for the above-named permit application from its current date of April 11, 2025 to a revised decision date of May 9, 2025.

This extension will give both the applicant and the Division additional time to finish adequacy reviews and responses, including bond calculations. If more time is needed, we will file another extension request prior to the new revised decision date of May 9, 2025.

If you have any questions regarding this decision date extension request, feel free to reach out to Steve O'Brian or me at the emails and telephone numbers listed below. Thank you.

Sincerely,
