***RE: Blue Streak Mine, NOI # P-2007-057, NOI Modification (MD02) Application Adequacy Review***

Mr. Howell:

The Division of Reclamation, Mining and Safety (Division) received your application on March 10, 2025. Initial review of the application determined that the following items must be received before the application can be filed for review:

1. The Form 2 (Public File) pages of the application package pursuant to Rule 5.1.2 (h)(ii)  
*5.1.2 (h)(ii) The applicant must submit two (2) separate forms. One form will contain all information, including both public and confidential information (with confidential information designated as such). This complete form will be used by the Office for review and will be held confidential. The second form will contain only the information the applicant believes is public with the applicant redacting all information to be held as confidential.*
2. Notice of the NOI modification application to the local Board of County Commissioners pursuant to Rule 5.1.2 (m)  
*5.1.2 (m) Concurrent with submitting the NOI to the Office, the prospector shall send a notice to the local Boards of County Commissioners in the counties where the proposed prospecting activities occur.*
  - (i) The Prospector shall certify that such notice was submitted.*
  - (ii) Such notice shall state that non-confidential information regarding the proposed prospecting activities will be available for review at the Office's website.*

Pursuant to Rule 5.1.3 (c), if the requested items, listed above, are not received within 60 days, the Division may terminate the MD02 application.

If you require additional information, or have questions or concerns, please contact me.

Sincerely,

***Dustin Czapla***
