Dear Patrick,

I am writing to oppose the Cross Mine, permit M-1977-410.

Given the history of the failed operations of Grand Island Resources and the violations that occurred at Cross Mine previously, the application for expansion of the Cross Mine must be denied.

I serve on the Town of Nederland's Sustainability Advisory Board and understand the Town of Nederland has submitted more substantial comments regarding this important community issue.

Thank you,
Patricia Dowd

Patricia Dowd
