Subject: Dawson Mine CE Comments Corrective Action Deadline

*** E-mail from an external source ***

Hey Jason,

Just spoke with Amy and she mentioned you wanted to extend the corrective action deadline for reviewing/commenting on the new bond estimate for the Dawson Mine.

I have the deadline for comments as tomorrow (4-4-25). Just send me an email requesting to change the deadline for however long you'd like. Make sure to include the permit number and new corrective action date.

Let me know if you have any questions!
