**Application Adequacy Review**

Dear Mr. Brewer:

The Colorado Division of Reclamation, Mining, and Safety (Division) received your application for Notice of Intent to Conduct Prospecting Operations for Hard Rock permit for the Tony Mine, P-2025-002 on March 20, 2025. The Division has identified several adequacy review issues that will need to be addressed prior to the Division's approval of the application. These items are listed below. The Division is required to issue its decision for the application on June 3, 2025. If you need additional time to address these issues, you must request an extension of the decision date in writing prior to June 3, 2025.

- 1) On page 4 of 14, item F requires documentation that the NOI application was sent to the USFS. The box in Item F is marked indicating that evidence of USFS notification is attached to the NOI application. The notification was not included in the application. Please send a certified mail receipt that the notification was sent to the appropriate USFS office.

If you have any questions, please contact me at (720) 774-0040 or [brock.bowles@state.co.us](mailto:brock.bowles@state.co.us).

Sincerely,

Brock Bowles
