

# **YR – 2025 ANNUAL REPORT**

## **Hindmarsh Sandstone**

**NW Portions of Sections 23, T36., R.15W., N.M.P.M.**

**Mining Reclamation Permit No. M2006 - 009**

Mesa Sandstone, LLC  
PO Box 220  
Cortez, Colorado 81321 -0220  
970 565 1167

**TO:**

Mined Land Reclamation Board  
Colorado Division of Reclamation, Mining, Safety  
1313 Sherman Street, Denver, CO 80203

Operations continued at Hindmarsh Sandstone quarry during this past year. A new disturbance was created in 2024 in the NW corner of the quarry which comprised .33 of an acre, moving the total acreage disturbance to **8.24** acres.

Rip Rap sorting continues in the North quarry, as well as stockpiling and dispensing in same "Stockpiling and Dispensing" area.

No reclamation has been performed during the past year. A general clean up of the quarry is continually performed. No official reclamation is expected for the up-coming year.

The annual fee payment for the YR-2025 of \$791.00 is enclosed.

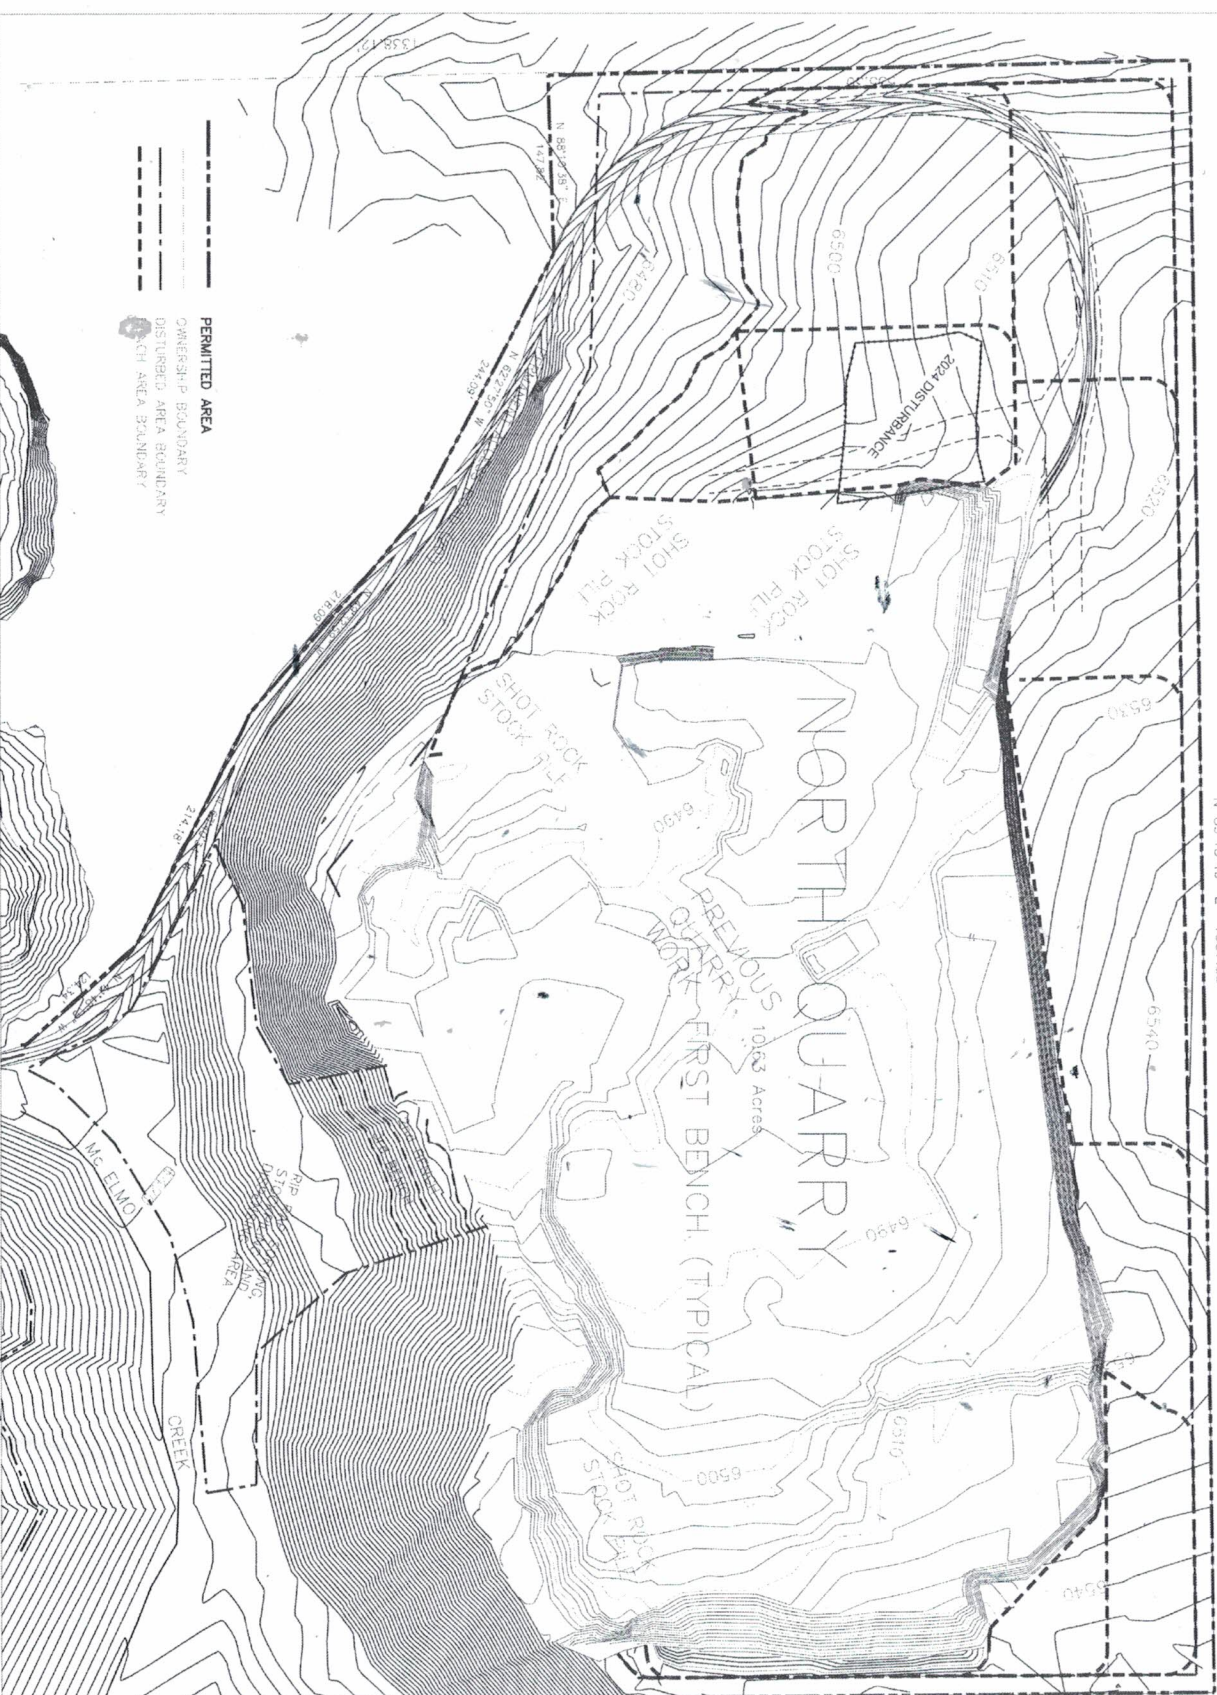

RESPECTFULLY SUBMITTED,  
William K. Goode, Manager
