RE: Coaldale Quarry Permit No. M-1977-247; Corrective Action Abatement Notice

Dear Mr. Smith,

On April 1, 2025, the Division of Reclamation, Mining, and Safety (Division/DRMS) received the corrective action for a problem cited in the March 4, 2025, inspection report. Problem #3 of the inspection report was cited due to the posted mine sign missing information required by Rule 3.1.12(1). The photos of the updated mine sign meet the requirement.

The Division considers Problem #3 of the March 4, 2025, inspection report abated.

If you have any question, please contact me by email at Jocelyn.carter@state.co.us or by phone at (720) 666-1065.

Sincerely,

Jocelyn Carter
