RE: Urie Gravel Pit, Permit M-2009-038, Incomplete Application for Transfer of Mineral Permit and Succession of Operators, Revision SO-1

Dear Mr. Sparks:

On April 7, 2025 the Division of Reclamation, Mining and Safety received the Application Form for Transfer of Mineral Permit and Succession of Operators from Urie Rock Company to Shallenberger Energy LLC, for the Urie Gravel Pit, Permit M-2009-038. The following items are incomplete for the application to be processed:

Structure Agreement

1. Provide the Division copies of agreements to compensate the owners of any significant, valuable, and permanent man-made structures and utilities within 200 feet of the affected land ("Structure Agreements"). See attached from. Construction Materials Rules 6.3.12 and 6.4.19.
 - a. Based on the permit application and the Divisions most recent inspection Moon Lake Electric has a powerline on the eastern edge of the permit boundary. Please provide a structure agreement for this feature.
 - b. Any fences or other structures not owned by Shallenberger Energy LLC will also require Structure Agreement(s).

Misc.

2. On the application form Doug Sparks is listed as the contact's name. However, all other paperwork is signed by Terrance Shallenberger. Please clarify who shall be the contact for the various types and provide their name, address, email address and telephone number. Contact Types are Permittee/Operator, Permitting, and Inspection.

Please return the required documentation to the Division **before June 9, 2025**. All completed permit documents are required to be submitted for consideration of your Request for Transfer of Mineral Permit and Succession of Operators Application. An incomplete application may be denied after the 60 day submittal request, if requested documents or information are not received. In the event of any delay in your submittal or if you have any questions, please contact the Division.

Sincerely,

Amy C Yeldell
