RE: North Hangs Mine, File No. #M-2024-059 Proposed Financial Warranty Acceptance

Dear Mr. Langenfeld:

The Division of Reclamation, Mining and Safety (Division) is in the process of reviewing the above referenced application in order to ensure that it adequately satisfies the requirements of the Colorado Land Reclamation Act for the Extraction of Construction Materials (Act) and the associated Mineral Rules and Regulations of the Colorado Mined Land Reclamation Board for the Extraction of Construction Materials (Rules). During review of the material submitted, the Division determined through calculations that the proposed financial warranty of \$221,248.00 is sufficient to complete reclamation.

If you require additional information, or have questions or concerns, please contact me at the Division's Grand Junction Field Office.

Sincerely,

Todd Jesse
