Good Morning Mr. Bishop,

Ignore the last email on it, the date was wrong.

We are planning on putting off the next blast at Red Canyon Quarry on April 21<sup>th</sup>, 2025, between the permit hours of 8:00 am to 3:00 pm pending weather and/or mechanical issues. We are estimating a blast time of 1:00 pm. I will contact you an hour before shot time so that you can prepare for the blast. Should anyone have any questions please feel free to contact me.

Thank you,
