Hi Ioana,

Thanks for sending me this letter. I got it filed on my end and forwarded it to the applicant. I also forwarded it to Patrick Lennberg and Amber Gibson, who are assisting me in reviewing the groundwater sections of the application. I will be implementing your comments and recommendations into my adequacy review letter. Please let me know if there's anything else you need from me, and we'll reach out to you if we have any other questions.

Thanks,

Joel
