

Vollmer Road Pit  
Schmidt Construction Company  
Annual Report Map - 2018  
Permit: M-83-035

**Total Permit Area = 80 Acres**

Affected Land = 37.85 acres (essentially the same as in reports since 2008)

Reclamation/Revegetation Land = 23.28 acres  
(planted + suitable invaded natural species)

Land where no reclamation of any kind exists = 14.57 acres  
(12.22 acres in pit + 2.35 acres in access road)

**A modified reclamation plan was being prepared at the same time as this report. Affected land will not change, but classifications of disturbances will change in that plan.**

**Note:** This is a newly formatted map produced on a 2017 satellite image.
