Mr. Lennberg,

Boulder County Parks & Open Space (BCPOS) has reviewed Holcim-WCR, Inc.'s Technical Revision #6 for Lyons Quarry (DRMS Permit #M-1977-141). Based on our review, we believe all changes to the reclamation plan that have occurred since Technical Revision #5 have been documented, and we have accepted these changes.

It should be noted, however, that BCPOS does not have the expertise or capacity to verify the technical information presented in Technical Revision #6, including any additional analysis performed. Therefore, we cannot verify the accuracy of any surveys, modeling, calculations, or recommendations made in this technical revision.

Thank you,

Therese Glowacki
