Good Morning Amber,

Would it be possible to extend the remapping and adjustment to the plan on the Orphan View pit? I have been working with our IT/GIS department and they are down to just one guy and he is able to get it done in time. Can we do a 60 day extension to be able to get it done?

Thanks,

Dustin

Hi Dustin,

Yes, that should be fine. Your extension request is **approved**. The new decision date is set for **July 29, 2025**.

Thank you,
