Modification (MD-2)
Add five drill hole locations

Dear Craig Howell:

On April 30, 2025 the Division of Reclamation, Mining and Safety concluded its review of the Modification application submitted to the Division on March 10, 2025, addressing the following:

Add five drill hole locations

The decision reached by the Division is: Approve.

Pursuant to Rule 5.1.3(d)(iv), the Division's determination will not take effect until the expiration of the five business days allowed for an appeal, or in the case of an appeal, until the Mined Land Reclamation Board issues its decision. If there are no appeals within the five day appeal period, you may commence with the approved modification to your prospecting operations.

The terms of the Modification No. 2 approved by the Division are hereby incorporated into NOI File No. P-2007-057. All other conditions and requirements of NOI File No. P-2007-057 remain in full force and effect.

Please note, the acceptance of this NOI modification shall not be construed to abrogate the duty of the prospector to comply with other applicable laws or regulations, including but not limited to all federal, state, or local permits, licenses, and approvals, as well as any access agreements, as applicable to the specific operation.
