

Great news! Your foreign registration has been approved, and your LLC can now do business in \_\_\_\_\_! A copy of your filing document is available in your secure online account.

Now that your LLC is officially registered with the Secretary of State, additional State agencies, such as the department of revenue or occupational licensing, may need to be informed that your foreign registration has been successfully completed.

Next year around this time you will receive an annual invoice for continuing registered agent service. The invoice will be available in your online account, where you can also make your payment.

### **Our Continuing Role**

We are your LLC's registered agent in \_\_\_\_\_, and we will receive service of process and other official State documents on your behalf. As documents are received we promptly scan and upload them, then notify you via email so you can view them close to real time.

If you are doing business in a state that requires an annual report, you will receive email reminders prior to the due date so your LLC remains active and compliant with the State. If you would prefer to not receive reminders and would like to hire us to manage your annual reporting, we will take away the stress and file on your behalf to ensure your company stays active and doesn't miss a beat.

### **What if I Want Additional Services?**

Need to form another company? Register to do business in another state? File your annual renewal? Hire us to be your registered agent in a different state? With your online account you can add new services, monitor company documents, manage your business, pay an invoice, utilize the tools and pro filing tips we provide you, and so much more.

We appreciate your business. Please reach out if we can help support your business in \_\_\_\_\_ with additional services or help you expand to additional states.
