Hi Jim

I just received the annual reports for the 8th Street Operation, permit no. M-2000-082. The data you uploaded is dated 2019-2020 (see attached). Do you have the current monitoring data for 2024/2025? Please email the entire dataset to me, 2019-current and I will upload it to the permit file.

Kind regards,
