Description	Acres
Active Mining to Reclaim in Future	1.43
Parking, Storage, Staging Area, Ranching - No Mining	1.92
Roads	0.29
Unassigned - Misc	0.02
Not Released, Sub-total	3.66
Released - Fall of 2019	6.22
Total	9.88*

* Note: Due to the overlay of the original survey image scan on NAIP images and the georeferencing, plus the creation/digitizing of shape files, a discrepancy of approximately 0.11 acre (1.1%) is noted from the original survey of 9.99 acres
