If the area has not been surveyed, supply the Longit	tude West a	nd Latitude North,			
or attach a location map, preferably a USGS Quad.					
The following additional information is required for artesian flowing holes:					
Feet North	South from the	South North section line			
feet east	West from the	west East section line			
<u>NOTE</u> : In the case of closely spaced drill holes having	g similar geologic and hydrolog	ic characteristics, the Operator may,			
with the approval of the Division, submit a single consolidated final report including the location of all drill holes and a					
description of abandonment technique. In such case, complete one abandonment final report form and attach a list of drill					
hole locations. If more space is needed to provide any of	f the information for this form,	please attach separate sheets.
