Notice of Intent to Conduct Mineral Prospecting

Dear Michael Murphy:

The Division of Reclamation, Mining and Safety received your Notice of Intent to Conduct Mineral Prospecting (NOI). Our initial review indicates that, as of May 12, 2025, you have satisfied the minimum requirements of the Act and the Rules to begin the review process.

Pursuant to Rule 5.1.3(a) of the Hard Rock/Metal Mining Rules and Regulations, the Division will conduct an in depth review of your notice. You will receive notice of any deficiencies or requests for additional information from the Division within twenty (20) working days, on or before May 27, 2025. The Division will also notify you, within twenty days, if the review indicates the proposed operations are considered to be mining, rather than exploration or prospecting.

A Financial Warranty will be required for this operation. The division will contact you when the required financial warranty amount has been determined.

If you have any questions, please contact me by telephone at (303) 919-2997, or by email at Lucas.west@state.co.us.

Sincerely,

Lucas J. West
Environmental Protection Specialist
