**Re: Reason to Believe a Violation Exists and Notice of Board Hearing  
Notice of Board Item Withdrawal  
Bettger Gravel Pit; Permit No. M-1976-051**

Dear Mr. Duckels:

On May 15, 2025, the Division of Reclamation, Mining and Safety (Division) received the Financial and Performance Warranties for the Bettger Gravel Pit. Therefore, this item has been withdrawn from the agenda for the June 18, 2025 Mined Land Reclamation Board meeting. This means the enforcement hearing described in the Division's April 21, 2025 Notice of Violation letter has been vacated.
