RE: Adequacy Review No. 1, TR-2, Four X Ranch Gravel Pit; Permit File No. M-2014-033

Dear Mr. Lennberg

In response to the letter sent May 6, 2025, we submit the following for clarification:

- 1. The scales will be used by both the cattle operation and the mining operation upon installation.
- 2. Mining Plan Map has been updated and is attached below.
- 3. The reclamation plan map has been updated and is attached below.

Please let us know if there is any additional information we can provide to assist in the decision on this technical revision.

Sincerely,

Kasie Smith Chairman, KS Land, LLC
