**Re: Annual Report Map Submitted with 2025 Annual Report;
Parcel 122 – Resource Development Project, Permit No. M-2015-033**

Dear Mr. Haun:

On May 25, 2025, the Division of Reclamation, Mining and Safety (Division/DRMS) received the 2025 Annual Report, Map and Fee for the Parcel 122 – Resource Development Project, permit no. M-2015-033.

Upon review of the submission the Division identified an error on the map that was submitted. The map incorrectly identifies the permit number to be M2015-003. The map needs to be updated and resubmitted to accurately show the correct permit number of M2015-033.

Please respond to this item with an updated map by **June 20, 2025**.
