Ms. Gibson

We are currently waiting for the Right to Enter documents from landowners and would like to request an extension of the decision date for the Seeley Reservoir Stockpiles (permit no. M-2023-043) application. Can you allow an extension to June 13, 2025?

Thank you for your consideration of our request.

Good morning,

To allow for adequate time with to review the adequacy responses and to coordinate the pre-hearing conferences, would you instead be amenable to extending the decision date to July 1, 2025?

Thank you,
