**RE: Seeley Reservoir Stockpiles, File No. # M-2023-043, New 112c Application, Decision Date Extension Request Approval**

Dear Mr. Cockroft,

On May 28, 2025, the Division of Reclamation, Mining and Safety (Division/DRMS) received an extension request for the decision date for the Seeley Reservoir Stockpiles (permit no. M-2023-043) new permit application. The current decision date is set for June 2, 2025.

The Division **approves** your extension request. The new decision date for the application is set for **July 1, 2025.**

If you have any questions, please send me an email at [amber.gibson@state.co.us](mailto:amber.gibson@state.co.us), or call me at 720-836-0967.

Sincerely,

Amber M. Gibson
