Technical Revision (TR-1)
Request for Technical Revision**

Dear Joseph E. Lionelle:

On May 28, 2025, the Division of Reclamation, Mining and Safety concluded its review of the Technical Revision application submitted to the Division on May 1, 2025, addressing the following:

Update maps to clarify permit boundary and reclamation plan to better reflect mining practices and modern information.

The decision reached by the Division is: approve.

The terms of Technical Revision No. 1 approved by the Division are hereby incorporated into Permit No. M-1979-206. All other conditions and requirements of Permit No. M-1979-206 remain in full force and effect.

The revised liability amount exceeds the financial warranty currently held (see below), please submit additional bond or a rider to your existing bond that equals or exceeds the Revised Liability. The revision will not be final until the bond is approved by the Division.

Bond Held:	\$32,500.00
