**RE: Boettcher Limestone Quarry, Permit No. M-1977-348; Full/Final Release Request (SL-1),  
Adequacy Review Response Extension Request**

Dear Mr. Weide,

On May 30, 2025, the Division of Reclamation, Mining, and Safety (Division/DRMS) received a request to extend to submit items identified in the adequacy review for the full/final release request (SL-1) of the Boettcher Limestone Quarry, Permit No. M-1977-348, located in Larimer County. As noted in the adequacy review letter dated April 10, 2025, the Division intends to approve the release request but cannot do so without the requested items outlined in the adequacy review. The Division will accept the requested items by June 20, 2025. Be advised, if the Division does not receive the requested items by June 20, 2025, it is recommended that the SL-1 request is withdrawn and another Full/Final Release Request submitted.

If you have any questions or concerns, please contact me by email at [Jocelyn.carter@state.co.us](mailto:Jocelyn.carter@state.co.us) or by phone at (720) 666-1065.

Sincerely,

Jocelyn Carter  
Environmental Protection Specialist
