Re: E 8th Street Operation, Permit No. M2000082
Annual Groundwater Monitoring Data Acceptance

Dear Mr. Carpenter,

On May 2, 2025, the Division of Reclamation, Mining and Safety (Division/DRMS) received the annual groundwater elevation data for the E 8th Street Operation.

Per Technical Revision 1, the Operator is required to sample three monitoring wells (MW-2, MW-3, and MW-4) monthly and submit the report to the Division with the annual report.

The Division reviewed and accepts the groundwater report submitted for May 27, 2024 through April 28, 2025.
