Re: Patton Clay Mine (M-1998-067) Temporary Cessation Withdrawal Request

Mrs. Carter:

This letter serves as Summit Brick Company's withdrawal request for the Temporary Cessation Request for Patton Clay Mine (M-1998-067) that was submitted in June 2025. Per your email, the Division has determined that it is not appropriate to submit such a request because there are no lands disturbed by the operation within the permit area. With no lands needing reclamation at this time, Summit Brick is not under any deadline for starting operations or reclaiming.

If any further information is needed, please contact me at (303) 592-7080.

Sincerely,

Julie A. Welte, P.E.
