**Re: Kirtright Pit, Permit No. M-1986-123, Revision AR-1, Approval Letter**

Dear Mr. Coulson:

On June 12, 2025, the Colorado Division of Reclamation, Mining and Safety (DRMS) approved your request for release of a portion of the permit area from further reclamation responsibility.

The permit area was reduced to 77.97 acres, through the release of 1.83 acres in this permit action. Because the permit is not totally released, you are still liable for filing annual reports and fees.

If you have any questions, please contact me.

Sincerely,

Patrick Lennberg  
Environmental Protection Specialist
