RE: Tezak No 2 Pit, Permit No. M-1981-080; 2025 Annual Report Review

Dear Mr. Tezak,

On May 24, 2025, the Division of Reclamation, Mining, and Safety (Division/DRMS) received the 2025 Annual Report and Map for the Tezak No 2 Pit, Permit No. M-1981-080. A review of the submission was done by the Division and an item was identified that requires additional attention and clarification.

There is a handwritten statement on the map indicating that the topsoil stockpile was relocated. *Please confirm that the topsoil was relocated and where the topsoil stockpile was relocated to in a cover letter and supplemental map in response to this letter by **June 11, 2025**.*

If you have any questions or concerns, please contact me by email at Jocelyn.carter@state.co.us or by phone at (720) 666-1065.

Sincerely,

Jocelyn Carter
Environmental Protection Specialist
Division of Reclamation, Mining, and Safety
