Re: Patton Clay Mine (M-1998-067) Technical Revision Extension Request

Mrs. Carter:

Summit Brick would like to request a 60 day extension from July 2, 2025 to August 31, 2025 for the decision date for the technical revision request. We need more time in order to address the adequacy review and either secure a structure agreement from the landowner regarding the house or complete a geotechnical study.

If any further information is needed please contact me at (303) 592-7080.

Sincerely,

Julie A. Welte, P.E.
