Elliott, good afternoon. This is in the regards to the newspaper notice that was published on the 21<sup>st</sup> of May. We already got the Green Card back from Joe Dorris which we sent him, that we forwarded to you. The first attachment is the copy which was sent to you (DRMS) and the Forest Service on the day of publication ( a copy of the Affidavit of Assessment from the Pikes Peak Courier/Gazette. The second we just received today is the Green Card which we finally received back on the News Paper Notice from the USFDA Forest Service. The third example, we spoke about the other day is a copy of today's ups notice still moving in transit since May 27<sup>th</sup>, 2025. Please let us know if the green card (for the notice) was received by your office (as stated above you already have the May 21<sup>st</sup> email of this notice) that should be the last of our amended Hard Rock 101(1) Permit # M-2023-002, deficiencies.

Please let us know as soon as possible if week can start mining on Silver Microcline and Hilltop,

Thank you! Sincerely, Jennifer and George Quist
