Hi Richard,

Per your request received today, I'm extending the Problem #1 (stormwater management plan) and Problem #2 (noxious weeds) corrective action due dates for the Bijou Clay Mine (M-1997-007) from 6/30/2025 to 7/29/2025.

Please let me know when you get that quote for the work necessary and have a better timeline.

Thanks!
