**Re: M & G Pit - File No. M-1986-079, Mann Lake Holdings, LLC  
Surety Release Request (SL-3), Full/Final Release**

Dear Mr. DelPiccolo:

On July 1, 2025 the Division of Reclamation, Mining and Safety received your request to withdraw the Surety Release Request application (SL-3) submitted to the Division on June 16, 2025 for the M & G Pit, Permit No. M-1986-079. As we discussed on the phone, there are reclamation tasks that need to be completed prior to seeking a full release of the permit area. Specifically, the operator needs to conduct weed control across the site, remove Russian olive trees along the ditch, and complete revegetation on the west side of the ditch where equipment was stored near the entrance. The Division approves your request to withdraw the release application.

If you have any questions, please contact me by telephone at (720) 527-1640, or by email at [nikie.gagnon@state.co.us](mailto:nikie.gagnon@state.co.us).

Sincerely,

Nikie Gagnon  
Environmental Protection Specialist
