**Re: Bowie No. 2 Mine (Permit No. C-1996-083)
Minor Revision No. 211 (MR- 211), Revisions to Hydrology for F Ditches**

Dear Mr. Etter:

We have received your application for a minor revision to your permit to conduct coal mining in Colorado. Our initial review indicates that all preliminary items required by Rule 2.08.4(5) have not been submitted. Thus, your application is incomplete for the purpose of filing as of July 1, 2025.

Not all pages were included in the submittal. **The cover letter states that the following pages in Appendix B of Volume IX have been revised: 1, 2, 13-19, 21, 24-28, 35, and 36. However, the submittal does not include revised pages B-14 or B-15.**

In accordance with Rule 2.07.3(1), you have the opportunity to amend, review, or otherwise make your application complete. You can submit the missing pages, or, in the letter responding to this letter, explain why those pages are not needed.

If you have any questions, please contact me.

Sincerely,

Robert D. Zuber, P.E.
