Re: Decision Date Extension Request for Reclamation Permit Amendment AM-04
San Luis Project

Dear Mr. West:

In the Reclamation Permit Amendment AM-04 submitted on April 11, 2025, the Colorado Division of Reclamation, Mining and Safety (CDRMS) had a required Decision Date due to Battle Mountain Resources Inc. (BMRI) submit responses by July 15, 2025. BMRI is requesting a 60-day extension of time for the Decision Date from the CDRMS. The Decision Date with extension would be September 13, 2025.

In addition, BMRI will submit a response to the Application Adequacy Review in the near future.

Should additional information be required or any clarifications are necessary, please contact me at (303) 837-5526.

Sincerely,
