**Re: Additional Information Required, Groundwater Level Data 2025,
Bennett Pit, Permit No. M-2016-085**

Dear Mr. Zadel:

On June 26, 2025, the Division of Reclamation, Mining and Safety (Division/DRMS) received your Groundwater Level Data for the Bennett Pit. After review of the submission the Division has additional items that need to be addressed or clarified.

1. The groundwater level data provided only goes through June 2024. Please update and resubmit the table with the most up-to-date groundwater level data.
2. Please provide a line graph of groundwater elevations for all locations for the last two years.

Please respond to these items within 30 days of the date on this letter, by **August 6, 2025**. The Division reserves the right to further supplement this document with additional items and details as necessary.

If you need additional information or have any questions, please contact me by email at patrick.lennberg@state.co.us.

Sincerely,

Patrick Lennberg
Environmental Protection Specialist
