Surety Release Request (SL-1)
Full/Final Release Request

Dear Andy Carpenter:

On July 8, 2025 the Division of Reclamation, Mining and Safety considered your request for a financial warranty release. The Division has denied this request. The application remained incomplete beyond decision due date. Please resubmit with both landowners information when ready. No site inspection was conducted.

In addition, if you have past due annual fees or unpaid civil penalties, your surety cannot be reduced or released.

In accordance with Rule 1.4.11, any person who can demonstrate that they are directly and adversely affected or aggrieved by an action of the Office, may petition for a hearing before the Board on such action within thirty (30) days of the date of the Office decision, if the decision was a denial, without a hearing. Such petitions for a hearing shall state how the petitioner is directly and adversely affected or aggrieved by the Office's decision, and how the petitioner's interests are entitled to protection under the Act. The petitioner shall list and explain any issue the petitioner believes should be considered by the Board at the hearing on the matter. The petition for a hearing shall specify the application or file number assigned by the Office.

If you have any questions, please contact me by telephone at (970) 210-1272, or by email at Amy.yeldell@state.co.us.
