Good afternoon Leigh,

I have attached the documentation you were requesting the other day and within the response letter.

Mr. Boss also has registered with the Secretary of State and has gone through a registered agent as required by state law for registration from a non-resident. I have attached proof of this process. The agency states he will be 100% good to go around the 11th of July.

I know you had made mention when we talked on the phone Tuesday that if we got everything in today (the 3rd) we would work on an extension for some of these changes and requests including the Secretary of State registration and making sure all items were as how you needed them.

I do appreciate it if we would be able to come back to the table and all reconvene Monday the 14th if that would work for you and your schedule and your team. I will be out of service and office and unfortunately away from my computer from this Friday the 4th until Sunday the 13th. I am the only staff member within my firm that has access to these projects.

I hope to be able to have all items attached into this email, although if not I will send them in a couple separate emails. Let me know your thoughts and to confirm you have received the documents and supplemental exhibits as required.

Have a great day

Best Regards,

**Kiel Schleusner**
