Peter,

The Division received your request for an extension of the decision due date for Conversion No. 2 (CN-2) at the West Side Placer site, File No. M-2016-081. The decision due date has now been extended to August 17, 2025.

As a courtesy notice, the Division would like to remind the Operator that pursuant to Rule 1.4.1(9), "the Applicant may request that the Office's review time be extended and the Office's decision date reset, not to exceed 365 days from the date the application was filed". The date of filing for CN2 was November 27, 2024. Please keep this filing date and 365 day limit in mind as we progress through the remaining review process for CN2.

Kind regards,  
Hunter Ridley (she/her/hers)  
Environmental Protection Specialist I
