Hello Jodi,

Do you have an update regarding trash removal at the Butcher Pit? The Reclamation Schedule submitted in February stated that trash removal would be completed in Spring 2025, and earthwork activities during the Fall of 2025.

Thanks,

Chris Girardi

Hey Chris. They did the initial clean up a few weeks ago but didn't take any photos. They are going back out tomorrow to clean up the new trash that has accumulated and will get some pictures to send to you.

I believe we may start having a conversation with the county about the illegal dumping to see if they can help us curb it, or at least help us brainstorm a solution. I'll include any information from that discussion in our updates to you.

Thanks,

Good morning,

Thanks for the update, that's very frustrating and I hope the County can do something to help.

Thanks,

Chris Girardi
