  - a) The lease agreement shows: 2273 River Rd, Grand Junction, CO 81505.

**Structure Agreements:**

3. Please provide fully executed structure agreements between the Prospective Successor and the following structure owners: FRE Holdings Inc., United Parcel Service Inc, and CDOT Region 2 HQ.

4. The submitted Geotechnical Stability Exhibit states "...buildings or other structures within 200-ft of the Lamar Pit affected area will not be affected by mining excavation."

### **Documentation of Legal Authority to Execute Financial Warranty Documents**

*The Colorado Mined Land Reclamation Board (“Board”) has adopted the attached Affidavit of Authority to Execute Financial Warranty Documents pursuant to the Mined Land Reclamation Act (C.R.S. § 34-32-101 et. seq.) and the Land Reclamation Act for the Extraction of Construction Materials (C.R.S. § 34-32.5-101 et. seq.). The Board and the Division of Reclamation Mining and Safety (“Division”) have determined that, in order to carry out the financial warranty requirements set forth in C.R.S. §§ 34-32-117 and 34-32.5-117 with reasonable diligence, it is prudent to verify the legal authority of the individual signing all necessary documents.*

*Accordingly, you must provide confirmation of the legal authority of the individual signing all Financial Warranty Documents to the Division. You may do so either by submitting a resolution of the decision-making body of your company that authorizes an individual to sign the Financial Warranty Documents on the company’s behalf, or by completing and notarizing the attached affidavit. The Division reserves the right to require the attached affidavit in all circumstances. Please note that if you are a sole proprietor who is executing documents on your own behalf, documentation of legal authority is unnecessary.*
