Chris,

Can we please get a 30 day extension. I am waiting on our client to review before I submit the response.

Hello Sydney,

I'm sorry for the delay, let's circle back on this application. The powerlines are all good. Go ahead and submit the Adequacy Review Response, but also request an extension of the current decision date of July 14. Maybe just request another 30 days.

Thanks and great weekend!
